

Nemours Orlando Children's Hospital

Our vision for Central Florida is a fully integrated system of care anchored by a children's health campus offering:

- Leading edge clinical care
- Physician and health care worker education
- Life Science research
- Prevention and wellness programming
- Advocacy programs for children's issues

Nemours' Central Florida Journey

- Orlando Hospital Announcement: July 2005
- Approval of 3rd CON by AHCA: June 2007
- Health Care Campus Site Selection: January 2008

Orlando Health Care Campus

- 60-acre parcel of land located within the proposed medical city of Lake Nona
- Within immediate proximity of the Burnham Medical Research Institute, UCF Burnett College of Medicine and the Veterans Affairs (VA) Hospital
- Optimal access to major roadways including State Road 528 and State Road 417
